

INTERNET

for non-HU-members with library account
at public computer workstations

Attention: no WLAN for non-HU-members
(You can use *Free Wifi Berlin* but without access to licensed online resources.)

Exception: WLAN via EDUROAM for members of academic institutions being part of EDUROAM – access only to resources of your home institution:
www.eduroam.org

ACTIVATING YOUR ACCOUNT

To activate your internet access, you must change your password once in your Primus user account and proceed as follows:

LOGIN

Click on **PRIMUS-Suchportal** on the desktop of a public computer workstation and log into your user account.

- > Login
- > Non-HU-members

CHANGE PASSWORD

Change your password once according to the specified **safety criteria**. Click on your name (top right).

- > My Account
- > Profile/Password/PIN
- > Change PIN/Password

10 MINUTES

Log out of Primus.

After about ten minutes your account will be activated for internet access.

INTERNET

You can access a web browser via the button **Internet mit Anmeldung**. For additional Windows programmes please use the button **HU-Desktop**. Save downloads on your own USB stick (drive O:\).
