This collection includes only those theses for which for which online full text is freely available. For more information: http://www.theses.fr/apropos_en.html
Accessible Archives	*** ALL Accessible Archives Collections ***	Accessible Archives provides access to primary source material from 18th and 19th century American publications. The sources, previously furnished only on microfilm, reflect a broad view of the times. For more information: http://www.accessible.com
Accessible Archives	African American Newspapers	This collection contains information about cultural life and history in the United States during the 1800s and is rich with first-hand reports of the major events and issues of the day, including the Mexican War, Presidential and Congressional addresses, Congressional abstracts, business and commodity markets, the humanities, world travel and religion. It also provides early biographies, vital statistics, essays and editorials, poetry and prose, and advertisements. For more information: http://www.accessible-archives.com/collections/african-american-newspapers
Accessible Archives	American County Histories	County volumes are a key component of local historical and genealogical research in the United States. The detailed coverage of local history, geology, geography, weather, transportation, lists of all local participants in the Revolutionary and Civil Wars, government, the medical and legal professions, churches and ministers, industry and manufacturing, banking and insurance, schools and teachers, noted celebrations, fire departments and associations, cemeteries, family histories, health and vital statistics, roads and bridges, public officials and legislators, and many additional subject areas. For more information: http://www.accessible-archives.com/collections/american-county-histories
Accessible Archives	Frank Leslie's Weekly	Frank Leslie's Weekly, later often known as Leslie's Weekly, actually began life as Frank Leslie's Illustrated Newspaper. Founded in 1852 and continued until 1922, it was an American illustrated literary and news publication, and one of several started by publisher and illustrator Frank Leslie. While only 30 copies of the first edition were printed, by 1897 its circulation had grown to an estimated 65,000 copies. For more information: http://www.accessible-archives.com/collections/frank-leslies-weekly/
Accessible Archives	Godey's Lady's Book	In Philadelphia in 1830 Louis Antoine Godey (1804-1878) commenced the publication of Godey's Lady's Book designed specifically to attract the growing audience of American women. The magazine was intended to entertain, inform and educate the women of America. In addition to extensive fashion descriptions and plates, the early issues included biographical sketches, articles about mineralogy, handcrafts, female costume, the dance, equestrienne procedures, health and hygiene, recipes and remedies and the like. Each issue also contained two pages of sheet music, written essentially for the pianoforte. Gradually the periodical matured into an important literary magazine containing extensive book reviews and works by Harriet Beecher Stowe, Edgar Allen Poe, Nathaniel Hawthorne, Henry Wadsworth Longfellow and many other celebrated 19th century authors who regularly furnished the magazine with essays, poetry and short stories. For more information: http://www.accessible-archives.com/collections/godeys-ladys-book/
Accessible Archives	National Anti-Slavery Standard	National Anti-Slavery Standard was the official weekly newspaper of the American Anti-Slavery Society, an abolitionist society founded in 1833 by William Lloyd Garrison and Arthur Tappan to spread their movement across the nation with printed materials. Frederick Douglass was a key leader of this society and often addressed meetings at its New York City headquarters. National Anti-Slavery Standard was established in 1840 by a husband and wife team who both were affirmed abolitionists as well as recognized successful writers. The Standard sought to extend the rights of slaves across the United States. It implied not only suffrage rights for colored males, but also advocated suffrage for women. The newspaper was one of the most influential voices for abolition leading up to the American Civil War. For more information: http://www.accessible-archives.com/collections/national-anti-slavery-standard
Accessible Archives	National Citizen and Ballot Box	The National Citizen and Ballot Box was a monthly journal deeply involved in the roots of the American feminist movement. Its editor Matilda Joslyn Gage, along with Susan B. Anthony and Elizabeth Cady Stanton, was a founding member of the National Woman Suffrage Association. For more information: http://www.accessible-archives.com/collections/national-citizen-and-ballot-box
Accessible Archives	Scenes from the Life of Harriet Tubman	Harriet Tubman was to born slave parents in 1820. In 1849, she escaped from her owners, and made it to Philadelphia, Pennsylvania where she became a leading abolitionist and used the Underground Railroad to bring more than 70 slaves to freedom. During the Civil War, she worked as a cook, nurse and spy, and in the post-war era struggled for women's suffrage. She died in 1913 in Auburn, New York. For more information: http://www.accessible-archives.com/collections/scenes-in-the-life-of-harriet-tubman
Accessible Archives	South Carolina Newspapers	This collection provides a glimpse of life in South Carolina and America, with additional coverage of events in Europe, during the early days of the United States. It contains information on colonial and early American History and genealogy. For more information: http://www.accessible-archives.com/collections/south-carolina-newspapers
Accessible Archives	The Civil War Collection	This collection offers in-depth articles discussing U.S. trade with other countries, and how foreign governments viewed the United States in light of the Civil War. It includes information on specific industries of the time. Slavery is also an important topic, and countless editorials discuss pre- and post-war attitudes from both sides, as well as troop movements during the war. There is coverage of events occurring in various states, analysis of the trans-continental railroad and its effect on the region, and general news articles from around the world, and much more. For more information: http://www.accessible-archives.com/collections/the-civil-war

Accessible Archives	The Liberator	The Liberator was a weekly newspaper published by William Lloyd Garrison in Boston, Massachusetts. Garrison was a journalistic crusader who advocated the immediate emancipation of all slaves and gained a national reputation for being one of the most radical of American abolitionists. The Liberator became the most influential newspaper in the antebellum antislavery crusade. For more information: http://www.accessible-archives.com/collections/the-liberator
Accessible Archives	The Lily	The Lily, the first newspaper for women, was issued from 1849 until 1853. It began as a temperance journal for distribution among members of the Seneca Falls (New York) Ladies Temperance Society. Women's exclusion from membership in temperance societies and other reform activities was the main force behind the initial publication of The Lily. For more information: http://www.accessible-archives.com/collections/the-lily
Accessible Archives	The Pennsylvania Gazette	The Pennsylvania Gazette was one of the United States' most prominent newspapers before the time period of the American Revolution until 1800. Published in Philadelphia from 1728 through 1800, The Pennsylvania Gazette is considered The New York Times of the 18th century. In 1729, Benjamin Franklin and Hugh Meredith bought the paper which ceased publication in 1800, ten years after Franklin's death. For more information: http://www.accessible-archives.com/collections/the-pennsylvania-gazette
Accessible Archives	The Pennsylvania Newspaper Record	This collection documents the move to industrialization from a predominantly agrarian culture established by Quaker farmers in the 18th century. It contains full-text transcriptions of articles, advertisements and vital statistics, providing insight into technology, business activity and material culture in a down-river milling and manufacturing community at the height of the Industrial Revolution. For more information at: http://www.accessible-archives.com/collections/the-pennsylvania-newspaper-record-of-delaware-county
Accessible Archives	The Pennsylvanian Genealogical Catalog	This collection is primarily a listing of marriages, deaths and obituaries from The Village Record, published in West Chester, Pennsylvania. It also includes information about emigration patterns, customs and traditions, important events, medical history, biographical data, and more. For more information: http://www.accessible-archives.com/collections/the-pennsylvania-genealogical-catalog
Accessible Archives	The Revolution	The Revolution was the official publication of the National Woman Suffrage Association formed by feminists Elizabeth Cady Stanton and Susan B. Anthony to secure women's enfranchisement through a federal constitutional amendment. Published weekly between January 8, 1868 and February, 1872. For more information: http://www.accessible-archives.com/collections/the-revolution
Accessible Archives	The Virginia Gazette	The Virginia Gazette was the first newspaper published in Virginia and the first to be published in the area south of the Potomac River in the colonial period of the United States. It contained news covering all of Virginia and also included information from other colonies, Scotland, England and additional countries. For more information: http://www.accessible-archives.com/collections/the-virginia-gazette
Adam Matthew	Eighteenth Century Journals I	Adam Matthew's Portal to Newspapers and Periodicals c1685-1835 offers several collections of rare Eighteenth Century Journals printed between c1685 and 1835, illuminating all aspects of eighteenth-century social, political and literary life. Many are ephemeral, lasting only for a handful of issues, others run for several years. Topics covered are wide-ranging and include: colonial life; provincial and rural affairs; the French and American revolutions; reviews of literature and fashion throughout Europe; political debates; and London coffee house gossip and discussion. Eighteenth Century Journals I contains material from the Hope Collection at the Bodleian Library, Oxford. For more information: http://www.amdigital.co.uk/m-collections/collection/eighteenth-century-journals-portal/

Customers who subscribe to BMJ should activate the parallel BMJ Journals collection which includes both paid and open content. For more information: http://www.bmj.com/about-bmj
Brepols	Brepols Miscellanea Online	Brepols Miscellanea Online offers essays in medieval studies from hundreds of volumes of miscellany. Topics covered include Area Studies Europe, Art History, Cultural Studies, and more. For more information: http://brepols.metapress.com
Brepols	Brepols Periodica Online	Brepols Periodica Online offers thousands of journal articles in the humanities, in areas ranging from Literature and Philosophy to Medieval Studies and Egyptology. For more information: https://www.brepolonline.net/
Brill	Brill Open Access 2012 - NESLi2	Brill's publications focus on the Humanities and Social Sciences, International Law and selected areas in the Sciences. This collection includes works offered on the Brill Online platform. For more information: http://booksandjournals.brillonline.com/
Brill	Brill Open Access 2013 - NESLi2	Brill's publications focus on the Humanities and Social Sciences, International Law and selected areas in the Sciences. This collection includes works offered on the Brill Online platform. For more information: http://booksandjournals.brillonline.com/
Brill	Brill Open Access 2014 - NESLi2	Brill's publications focus on the Humanities and Social Sciences, International Law and selected areas in the Sciences. This collection includes works offered on the Brill Online platform. For more information: http://booksandjournals.brillonline.com/
Brill	Brill Open Access Journals	Brill Online offers journals covering the Humanities, International Law & Biology. This collection includes open access articles. For more information: http://booksandjournals.brillonline.com/
Brill	Brill Open E-Book Collection	This resource includes Open Access content, from Brill's ebook collections and series. The collections cover a wide range of subject areas, including: Humanities (Asian Studies; Language and Linguistics; Middle East and Islamic Studies; Slavic and Eurasian Studies; Social Sciences), Law, and Science. For more information: http://booksandjournals.brillonline.com/
Brill	Social Sciences E-Books Online	Brill's ebooks cover the following subject areas: Humanities (Asian Studies; Language and Linguistics; Middle East and Islamic Studies; Slavic and Eurasian Studies; Social Sciences), Law, and Science. For more information: http://www.brill.nl/publications
CAB International	CAB Reviews Archive	CABI produces scientific publications that cover topics including agriculture, the environment, public health, microbiology, nutrition, veterinary sciences, and more. For more information: http://www.cabi.org/default.aspx?site=170&page=1009
CAB International	CAB Reviews Current	CABI produces scientific publications that cover topics including agriculture, the environment, public health, microbiology, nutrition, veterinary sciences, and more. For more information: http://www.cabi.org/default.aspx?site=170&page=1009
CAB International	CAB eBooks Agriculture	CABI produces scientific publications that cover topics including agriculture, the environment, public health, microbiology, nutrition, veterinary sciences, and more. For more information: http://www.cabi.org/default.aspx?site=170&page=1009
CAB International	CAB eBooks Animal & Veterinary	CABI produces scientific publications that cover topics including agriculture, the environment, public health, microbiology, nutrition, veterinary sciences, and more. For more information: http://www.cabi.org/default.aspx?site=170&page=1009
CAB International	CAB eBooks Archive	CABI produces scientific publications that cover topics including agriculture, the environment, public health, microbiology, nutrition, veterinary sciences, and more. For more information: http://www.cabi.org/default.aspx?site=170&page=1009
CAB International	CAB eBooks Current	CABI produces scientific publications that cover topics including agriculture, the environment, public health, microbiology, nutrition, veterinary sciences, and more. For more information: http://www.cabi.org/default.aspx?site=170&page=1009
CAB International	CAB eBooks Environment	CABI produces scientific publications that cover topics including agriculture, the environment, public health, microbiology, nutrition, veterinary sciences, and more. For more information: http://www.cabi.org/default.aspx?site=170&page=1009
CAB International	CAB eBooks Human, Food, Nutrition	CABI produces scientific publications that cover topics including agriculture, the environment, public health, microbiology, nutrition, veterinary sciences, and more. For more information: http://www.cabi.org/default.aspx?site=170&page=1009
CAB International	CAB eBooks Leisure and Tourism	CABI produces scientific publications that cover topics including agriculture, the environment, public health, microbiology, nutrition, veterinary sciences, and more. For more information: http://www.cabi.org/default.aspx?site=170&page=1009
CAB International	CAB eBooks Plant Sciences	CABI produces scientific publications that cover topics including agriculture, the environment, public health, microbiology, nutrition, veterinary sciences, and more. For more information: http://www.cabi.org/default.aspx?site=170&page=1009

Cairn.info	Cairn Ouvrages	This collection includes all the scholarly ebooks, primarily from France, Belgium, and Switzerland, provided by Cairn.info. Focus is on subjects in the social sciences and the humanities. For more information: http://www.cairn.info/ouvrages.php
Cairn.info	Cairn Poches	This collection includes all the pocket encyclopedias, primarily from France, Belgium, and Switzerland, provided by Cairn.info. Focus is on subjects in the social sciences and the humanites. For more information: http://www.cairn.info/encyclopedies-de-poche.php
Cairn.info	Cairn Revues	This collection includes all the scholarly journal content, primarily from France, Belgium, and Switzerland, provided by Cairn.info. Focus is on subjects in the social sciences and the humanities. For more information: http://www.cairn.info/Accueil_Revues.php
Cambridge University Press	Cambridge Books - Open Access	Open Access (OA) is emerging as a new model for book publishing. Cambridge University Press supports OA books in line with their commitment to exploring publishing models that are financially sustainable, scalable and in accordance with their mission to disseminate knowledge at the highest international levels of excellence. For more information: https://www.cambridge.org/core/services/open-access-policies/open-access-books
Cambridge University Press	Cambridge Core All Books	Cambridge University Press publishes a wide range of research monographs, academic reference, textbooks, books for professionals, and large numbers of books aimed at graduate students. For more information: https://www.cambridge.org/core/what-we-publish/books
Cambridge University Press	Cambridge Core Journals	This collection includes the journals published by Cambridge University Press. The collection includes the front list covering a range of subjects from Agriculture to Religion to Social Studies, as well as the Cambridge Journals Digital Archive. For more information: https://www.cambridge.org/core/what-we-publish/journals
Canadian Electronic Library	desLibris - Documents	Canadian Electronic Library distributes government publications, as well as monographs from think tanks and public policy groups in Canada. The content is freely available on the desLibris platform. For more information: http://deslibris.ca/en-us/forlibraries/canadianelectroniclibrary/celdocumentscollections.aspx
Canadian Science Publishing (operating as NRC Research Press)	NRC Research Press Journals	This collection contains the journals from NRC Research Press, published by Canadian Science Publishing. The journals cover the scientific discoveries in a broad range of scientific disciplines. Historically, the journals in this collection began was the Canadian Journal of Research (in 1929), but in 1951, each section became an independent journal. For more information: http://www.nrcresearchpress.com/action/showPublications?display=byAlphabet&pubType=journal
Casalini Libri	Editoria Italiana Online (EIO)	Editoria Italiana Online (EIO) from Casalini Libri offers scholarly works from publishers in Romance language countries, with most publications in Italian, and some in English or French. Subject areas include History, Philosophy, Linguistics, Comparative Literature, Art, Architecture, Religion, Social Sciences, Economics, and Sociology. For more information: http://www.casalini.it/PopupService.asp?LS=D&TF=EIO&ST=A
Center for Research Libraries	Online Catalog	The Center for Research Libraries (CRL) is an international consortium of university, college, and independent research libraries. The bibliographic records for CRL's entire OPAC have been made available for indexing by Primo Central. Many records contain links to digitized material. Authorization may be required to access the documents via these links. For more information: http://www.crl.edu . Please note: For this collection, Ex Libris recommends using 'Expand beyond library collections' in the Primo interface as records will show 'no full text available'. The detailed display for each record contains a link to the collection native interface where the full text may be found.
Central and Eastern European Online Library (C.E.E.O.L.)	Central and Eastern European Online Library (C.E.E.O.L.) Journals	This collection provides access to the scholarly articles included in the online archive of the Central and Eastern European Online Library (C.E.E.O.L.). Subjects covered range from the humanities to the social sciences, with focus on topics pertaining to Central, Eastern, and South-Eastern Europe. This collection includes both paid and Open Access/Free content. Users have the option of purchasing individual articles. For more information: http://www.ceeol.com
Central and Eastern European Online Library (C.E.E.O.L.)	Central and Eastern European Online Library (C.E.E.O.L.) eBooks - Free Access	This collection provides access to the Open Access books included in the online archive of the Central and Eastern European Online Library (C.E.E.O.L.). Subjects covered range from the humanities to the social sciences, with focus on topics pertaining to Central, Eastern, and South-Eastern Europe. Users must register and login, to access the free full text content! For more information: http://www.ceeol.com
Centre pour la Communication Scientifique Direct (CCSD)	Hyper Article en Ligne (HAL)	HAL is a multi-disciplinary archive of published and unpublished scientific research papers and doctoral dissertations. Documents are contributed by teaching and research institutions in France and abroad, as well as public or private research centers. Documents from TEL (th?ses-en-ligne) also included. Some records include access to full text. For more information: http://hal.archives-ouvertes.fr
Cognitive Sciences ePrint Archive	CogPrints	CogPrints, the Cognitive Sciences ePrint Archive, is an open access, electronic archive in which authors can self-archive papers and articles, in any area of Cognitive Science: Psychology, Neuroscience, and Linguistics, including many areas of Computer Science, Philosophy, Anthropology and Biology. For more information: http://cogprints.org/
Consortium Érudit	Érudit Journals	Érudit offers academic journals in the Humanities, Social Sciences, and Natural Sciences. The most recent two years of publication, articles are available only to subscribers. Over 80% of the content is open access. Érudit is a Canadian publishing consortium comprised of the Université de Montréal, the Université Laval and the Université du Québec à Montréal. For more information: http://www.erudit.org . Note: This collection does not include content from Persée, CNRC and The Electronic Text Centre at UNB Libraries
Cornell University	Arxiv	ArXiv.org, provided by Cornell University, includes papers in the fields of physics, mathematics, non-linear science, computer science, quantitative biology and statistics. Articles are often submitted for inclusion directly by authors. Current and previous versions of articles are stored. For more information: http://arxiv.org

CQVIP (Chongqing VIP Information Co., Ltd.)	The Chinese Science and Technology Periodical Database**	The Chinese Science and Technology Periodical Database covers the disciplines such as Social Sciences, Natural Sciences, Engineering, Agriculture Sciences, Medicine and Health, Economic Management, Education, Science, Library and Information. Coverage from 1989. For more information: http://www.cqvip.com/productor/pro_zk.shtml&usg=ALkJrhlyuP0985XWNoR1VIHk8wdB1820gg ** To facilitate the linking to full text of articles, two new targets were released to SFX4 customers. The first target, CQVIP, consists of 17208 Chinese language journal portfolios, and will enable standard SFX linking for all authorized customers. The second target, CQVIP Primo, with an accompanying CQVIP Primo parser, requires no portfolios and enables linking to full text via an article identifier supplied by Primo Central. It is also recommended to adjust the target precedence and display logic rules in SFX to assure the end-user uses the correct target.
Credo Reference	Reference Materials	Founded in 1999, Credo Reference provides full-text online versions of many published reference works from over than 80 publishers in every major subject. Credo Reference is a perfect starting point for students, researchers and lifelong learners who are creating research projects, writing topic papers or just doing research. It contains hundreds of subject-specific encyclopedias, biographies, chronologies, dictionaries. GENERAL SUBSCRIBERS SHOULD ACTIVATE THIS COLLECTION. For more information: http://corp.credoreference.com/collections/general-reference-collections/complete-core.html
CrossRef	*** ALL CrossRef Collections ***	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	AAPG/Datapages	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	ACTA Press	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	AHS International - The Vertical Flight Technical Society (AHS)	AHS International, also known as The Vertical Flight Technical Society, is an international technical society for engineers, scientists and others working on vertical flight technology. This collection includes bibliographic records for articles in the society's periodicals. For more information: http://vtol.org/
CrossRef	ASME International	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	ASTM International	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	American Accounting Association (AAA)	The American Accounting Association promotes excellence in accounting education, research and practice. This collection contains bibliographic records of articles in the Associations periodicals. For more information: http://aaahq.org
CrossRef	American Association for the Advancement of Science	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	American Chemical Society	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).

CrossRef	Earthquake Engineering Research Institute (EERI)	The EERI is a nonprofit, technical society of engineers, geoscientists, architects, planners, public officials, and social scientists. EERI members include researchers, practicing professionals, educators, government officials, and building code regulators. This collection includes bibliographic records of articles in the Society's periodicals. For more information: https://www.eeri.org
CrossRef	Edinburgh University Press	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	Electrochemical Society (ECS)	The ECS is an international nonprofit, educational organization concerned with a broad range of phenomena relating to electrochemical and solid-state science and technology. Its membership include scientists and engineers. This collection includes bibliographic records of articles in the Society's periodicals. For more information: www.electrochem.org
CrossRef	Elsevier	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	Elsevier - Ediciones Doyma	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	Elsevier - Mosby	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	Hogrefe & Huber	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	Informa	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	Informa - CRC Press	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. Karger AG, SciELO, Springer, and more to follow in due time).
CrossRef	Informa - Informa Healthcare	Records from CrossRef contain brief citations to journal articles, books, book chapters, or conference proceedings, depending on the collection. Each citation includes a link to the full text record on the primary publisher's platform. Primo Central contains citations from CrossRef to content from primary publishers, some of which are not yet available in the Primo Central Index otherwise. For those collections that are already in Primo Central, customers may want to activate collections directly from the primary publisher (American Society for Microbiology, Association for Computing Machinery, Brill Academic Publishers, Duke University Press, Edinburgh University Press, Public Library of Science, S. ICE Publishing	ICE Virtual Library - Journals	The ICE Virtual Library hosts all the content from ICE Publishing, the publishing division of the Institution of Civil Engineers (ICE). ICE journals cover research and best-practice in civil engineering. For more information: http://www.icevirtuallibrary.com/content/journals
IEEE Publishing	IEEE Open Access	This collection includes a selection of open access articles from hybrid titles.
IEEE Publishing	IEEE Periodicals	This collections includes the IEEE All-Society Periodicals Package (ASPP) as available via IEEE Xplore. Also included: IEEE Spectrum, Proceedings of the IEEE, IEEE Potentials Magazine, Canadian Journal of Electrical and Computer Engineering, IEEE Women in Engineering, IEEE Latin America Transactions. Not included: All Early Access Articles, The Institute, IEEE Biometrics Compendium , IBM Journal of Research and Development, and select articles in Engineering Management Review. For more information: http://www.ieee.org/publications_standards/publications/subscriptions/prod/aspp_overview.html
IEEE Publishing	IEEE Proceedings	IEEE publishes more than 1,000 conference proceedings annually in Electrical Engineering, Computer Science, and related fields. This collection also offers all English language papers from VDE VERLAG conferences. Not included: conferences from the IET publisher. For more information: http://www.ieee.org/publications_standards/publications/confproc/index.html
IEEE Publishing	IEEE Standards	IEEE is develops industry standards in a broad range of technology. For more information: http://www.ieee.org/publications_standards/index.html#IEEE_Standards
IGI Global	IGI Global Books	IGI Global Books is a collection of reference works on research in Information Science, Business Science, Medical Information Science, and Engineering Science, published from 2000 to the present. For more information: http://www.igi-global.com/books.aspx
IGI Global	InfoSci-Journals	InfoSci- Journals is collection of peer-reviewed journals focussing on specialized topics in disciplines relating to technology, business, medicine, and engineering. For more information: http://www.igi-global.com/eresources/infosci-journals.aspx
Inderscience Publishers	Inderscience Journals	This collection covers international, peer-reviewed journals in the fields of Law; Engineering and Technology; Management and Business Administration; Energy; Environment and Sustainable Development. For more information: http://www.inderscience.com/index.php
Institute for Operations Research and the Management Sciences (INFORMS)	INFORMS Journals	INFORMS journals are scholarly, peer-reviewed publications on Operations Research and Management Sciences. For more information: http://www.informs.org/Find-Research-Publications
Institutional Repositories	ARAN (National University of Ireland Galway)	The collection contains ARAN, the open access repository of the National University of Ireland, Galway. The repository includes peer-reviewed articles, working papers, and conference papers produced at the National University of Ireland. For more information: http://aran.library.nuigalway.ie/xmlui/
Institutional Repositories	BRAGE (BIBSYS)	BIBSYS Brage contains open access material from more than 50 higher education and research institutions in Norway. Brage consists of research-papers, masters theses and reports from the main universities and colleges in Norway. The documents are Open Access and freely available to the public. For more information: http://brage.bibsys.no/xmlui/
Institutional Repositories	Bergen Open Research Archive (University of Bergen)	BORA (Bergen Open Research Archive) is the institutional repository of the University of Bergen in Norway. The repository contains scientific works created at the university, including Master's theses, Doctoral theses, articles and other Open Access works such as research reports, working papers and conference proceedings. Subject areas cover a range of academic interests, including Humanities, Mathematics and Natural Sciences, Social Sciences, Psychology and Medicine and Dentistry. For more information: https://bora.uib.no/
Institutional Repositories	CERES (Cranfield Collection of E-Research) (Cranfield University)	This collection contains The Cranfield Collection of E-Research – CERES, a digital repository of the research conducted at Cranfield University. Materials include journal articles, theses and dissertations, book chapters, working papers, and technical reports. Subjects covered include Engineering, Library Science, Management, Health, the Applied Sciences, and more. For more information: https://dspace.lib.cranfield.ac.uk/
Institutional Repositories	Constellation (Université du Québec à Chicoutimi)	Constellation is an institutional repository serving the academic community of the Université du Québec à Chicoutimi (Canada). Topics covered include the full range of areas of study at the university. Most articles are in French. For more information: http://constellation.uqac.ca/
Institutional Repositories	DSpace@Cambridge (University of Cambridge)	DSpace@Cambridge, the institutional repository of the University of Cambridge, was founded to allowing academics and departments at the University to share and preserve material of a scholarly or heritage nature. It is a service of the University Library and the University Computing Service. Authentication may be required to reach the full text of items. For more information: http://www.dspace.cam.ac.uk/
Institutional Repositories	DUGiDocs (Universitat de Girona)	DUGiDocs is Universitat de Girona's Digital Document repository. It aims to preserve and widely disseminate the scientific and academic documentary production of Universitat de Girona. For more information: http://dugi-doc.udg.edu
Institutional Repositories	DUGiMedia (Universitat de Girona)	DUGiMedia is Universitat de Girona's Audio and Video Digital Repository. It includes classroom and workshop materials as well as original works by the University of Girona community. For more information: http://diobma.udg.edu/
Institutional Repositories	DiVA - Academic Archive Online (Uppsala University Library)	This collection contains the research publications and student theses found on the DiVA portal, hosted at the Uppsala University Library. DiVA is the centralized archive of a group of 30 Scandinavian universities. Materials include theses, dissertations, and other academic publications. For more information: http://www.diva-portal.org/smash/search.jsf
Institutional Repositories	Die digitale Landesbibliothek Oberösterreich (Upper Austrian Federal State Library)	This collection contains the digitized manuscripts and copyright-free books from the Upper Austrian Regional Library. Regionally significant (mainly historical) literature from the 16th – 20th centuries are included, as well as medieval manuscripts and autographs. For more information: http://digi.landesbibliothek.at

Institutional Repositories	Digital Access to Scholarship at Harvard (DASH) (Harvard University, Office for Scholarly Communication)	DASH, operated by Harvard University's Office for Scholarly Communication, allows members of the Harvard community to deposit scholarly journal articles and manuscripts, student papers, and theses into a central, open access repository. Access to some full text documents may require authentication. For more information: http://dash.harvard.edu/
Institutional Repositories	Digital Commons @ SPU (Seattle Pacific University)	This collection contains DigitalCommons@SPU, the institutional repository of the research and scholarly output at Seattle Pacific University, as well as other institutional publications. The repository is open access. For more information: http://digitalcommons.spu.edu
Institutional Repositories	Digital Dissertations (Universitätsbibliothek der LMU Muenchen)	The collection includes dissertations submitted to LMU Muenchen. Subject areas cover a range of academic interests with an emphasis on Biology and Medicine. For more information: http://edoc.uni-muenchen.de
Institutional Repositories	Digital Library of the University of Pardubice	This collection contains the open access publications that are contained in the institutional repository of the University of Pardubice, from the range of the university's departments. Note that resources that require a subscription are not included in this collection. For more information: http://dspace.upce.cz/
Institutional Repositories	Digital Repository @ Iowa State University (Iowa State University)	This collection contains the content of the Digital Repository @ Iowa State University. It includes scholarly and creative works, research, publications, and reports contributed by faculty, students, and staff at Iowa State University (ISU). For more information: http://lib.dr.iastate.edu/
Institutional Repositories	Digitale Sammlungen (Universitätsbibliothek Paderborn)	The Digital Collections of the University Library Paderborn allow free open access to electronic publications by University faculty and staff. The repository also includes digitized documents produced as part of the library's retro-digitization project. The material includes pre-20th century books and documents of historical value from the holdings of the Library and its partners, and also documents pertaining to the the history of the University which was founded in 1972. For further information: http://digital.lib.uni-paderborn.de/
Institutional Repositories	Diposit Digital de Documents de la UAB (Universitat Autònoma de Barcelona)	This collection contains Diposit Digital de Documents de la UAB, the institutional repository of the Universitat Autònoma de Barcelona. Materials are provided by all segments of the scholarly community there. For more information: http://ddd.uab.cat/
Institutional Repositories	Diposit Digital de la Universitat de Barcelona	This collection contains the open-access digital versions of publications related to the teaching, research, and institutional activities by members of the University of Barcelona community. For more information: http://diposit.upb.edu/dspace/quees_en.jsp
Institutional Repositories	DiscoverArchive (Vanderbilt University)	DiscoverArchive is a digital repository providing open access to scholarly research, by faculty, students and staff at Vanderbilt University. It serves the university in the preservation and dissemination of research in a wide range of subject fields.
Institutional Repositories	Dokumentenserver der FU Berlin (Freie Universität Berlin)	This collection contains the theses and dissertations produced at the Free University of Berlin. For more information: http://www.diss.fu-berlin.de
Institutional Repositories	ECLAC Digital Repository (Economic Commission for Latin America and the Caribbean)	ECLAC Digital Repository contains the archive of the United Nations Economic Commission for Latin America and the Caribbean, known in Spanish as Comisión Económica para América Latina y el Caribe (CEPAL). The archive is open to all users, especially policy makers, researchers, scholars and students, interested in the Commission's work. The archive includes over 36,000 ECLAC publications dating from 1948 to the present and encompassing the work of over 8,000 authors in five languages. For more information: http://repositorio.cepal.org/
Institutional Repositories	ELEA (Universita Degli Studi di Salerno)	This collection contains the research of Elea@UniSA, the institutional repository of the University of Salerno. Materials include doctoral theses, essays, articles, and educational materials. The repository covers a wide range of academic subjects. For more information: http://elea.unisa.it:8080/jspui/
Institutional Repositories	ETDs Repository (VŠKP - University of Economics, Prague)	This collection contains the repository of Electronic Theses & Dissertations defended at University of Economics, Prague, Czech Republic (Vysoká škola ekonomická v Praze). For more information: http://www.vse.cz/vskp
Institutional Repositories	Edinburgh Research Archive (University of Edinburgh)	This collection provides the research found in the digital repository produced at the University of Edinburgh, including theses and dissertations, working papers, technical reports, and peer-reviewed journal reprints, among other publications. Topics covered include a full range of academic disciplines. Note that the provider has excluded certain ERA theses for legal reasons. A number of records may be embargoed or access restricted at any given time For more information: http://www.era.lib.ed.ac.uk/
Institutional Repositories	Fraunhofer ePrints (Fraunhofer Gesellschaft)	Fraunhofer ePrints includes the fulltext publications of the scientists of the Fraunhofer Society. The repository includes reports, dissertations, journal articles, and conference contributions. Subject matter focuses on Technology and Life Sciences. For more information: http://eprints.fraunhofer.de
Institutional Repositories	Kent Academic Repository (University of Kent)	This collection contains the open access records of the Kent Academic Repository, the institutional repository of the University of Kent. Note that a small number of records may be embargoed at any given time. For more information: http://kar.kent.ac.uk/
Institutional Repositories	LSE Research Online (London School of Economics and Political Science)	LSE Research Online, the institutional repository for the London School of Economics and Political Science, contains research produced by LSE staff, including journal articles, book chapters, books, working papers, conference papers and more. Access to some content may be restricted to LSE students and staff. For more information: http://eprints.lse.ac.uk
Institutional Repositories	LSE Theses Online (London School of Economics and Political Science)	The collection contains the online archive of PhD theses for the London School of Economics and Political Science. It contains completed and examined theses from doctoral candidates who have studied at LSE in an open access platform. The works span the range of the social sciences. For more information: lsethesesonline@lse.ac.uk
Institutional Repositories	LSHTM Research Online (London School of Hygiene and Tropical Medicine)	This collection contains the open access records of LSHTM Research Online, the institutional repository of research conducted by the staff of the London School of Hygiene and Tropical Medicine. Subject areas include Epidemiology, Immunology, Global Health, and more. For more information: http://researchonline.lshtm.ac.uk/

Institutional Repositories	Leeds Beckett University Repository (Leeds Beckett University)	This collection contains the records of Leeds Beckett University Repository, the institutional repository of Leeds Beckett University (formerly Leeds Metropolitan University). Some records are embargoed and require a subscription for full text access. This collection includes Leeds' research database and does not include OER content. For more information: http://eprints.leedsbeckett.ac.uk/
Institutional Repositories	Leiden University Repository	This collection contains the Leiden Repository, including both the scholarly publications and the student theses of Leiden University. Where possible, the publications have been made freely accessible (open access). For more information: https://openaccess.leidenuniv.nl/
Institutional Repositories	Lirias (KU Leuven Association)	The collection contains the open access materials of the Lirias document repository which serves as the digital archive of KU Leuven Association research. The resources include articles, conference proceedings, dissertations, text reviews and book chapters and span the range of humanities, social sciences, and sciences as well as law, engineering and biomedical research. For more information: https://lirias.kuleuven.be
Institutional Repositories	MADOC Publikationsserver (Mannheim University Library)	This collection includes the materials of MADOC Publikationsserver, the institutional repository of the Mannheim University Library. Topics covered include the full range of areas of study at the university. For more information: https://ub-madoc.bib.uni-mannheim.de/
Institutional Repositories	OUR@oakland (Oakland University)	This collection contains OAR@Oakland, the institutional repository housing the intellectual, scholarly and creative work produced by the Oakland University Community. All materials should be open access. For more information: https://our.oakland.edu/
Institutional Repositories	Open Access LMU (Universitätsbibliothek der LMU Muenchen)	Open Access LMU is the institutional repository of the Universitaetsbibliothek der LMU Muenchen. It contains over 13,000 Open Access publications produced by the faculty and staff of LMU and its cooperative institutions. The publications span the range of subjects, including Mathematics and Computer Science, Medicine, Management and Marketing, Medicine and the Geosciences. They include monographs (in full or in part), and chapter contributions from compilations or anthologies, journal articles, conference papers, presentations and lectures. For more information: http://epub.ub.uni-muenchen.de/help/index.html
Institutional Repositories	Opus: Online Publications Store (University of Bath)	This collection contains Opus, the research repository of the University of Bath. The repository showcases the research publications of those affiliated with the University of Bath, from all departments, in a full range of academic disciplines. For more information: http://opus.bath.ac.uk/
Institutional Repositories	PUCRS Institutional Repository (Pontifical Catholic University of Rio Grande do Sul)	The PUCRS Institutional Repository is maintained by the Pontifical Catholic University of Rio Grande do Sul, in Porto Alegre, Brazil. The online, open access repository serves to preserve, share, and provide access to the academic and cultural digital production, of the PUCRS academic communities. Content emphasizes science, engineering, and biomedical research. The repository includes articles, conference papers, books, book chapters, theses, dissertations, technical reports, artwork, as well as institutional documents.
Institutional Repositories	Portal de Revistas PUCP (Pontificia Universidad Catolica del Peru)	This collection contains the Portal de Revistas PUCP, the journal articles published by the members of the community at the Pontificia Universidad Catolica del Peru. All materials should be open access. For more information: http://revistas.pucp.edu.pe/
Institutional Repositories	ROAR (University of East London Repository)	This collection contains ROAR – Research Open Access Repository, the institutional repository of open access publications at the University of East London. As a research archive, it contains the scholarly work created by members of the university community in all fields. Some recent publications may be embargoed. For more information: http://roar.uel.ac.uk/
Institutional Repositories	Repositori Digital de la UPF (Universitat Pompeu Fabra)	This collection contains the repository of digital documents resulting from the academic and research activity of the UPF. It includes journals, theses, working papers, articles, presentations at conferences, seminars and congresses, teaching material, and other literature produced by the teaching and research staff of the UPF. Other institutional publications (annual reports, briefs, speeches, lectures, etc.) are also included. All materials should be open access. For more information: http://repositori.upf.edu/ajuda
Institutional Repositories	Repositorio Digital de Tesis PUCP (Pontificia Universidad Catolica del Peru)	This collection contains Repsitorio Digital de Tesis PUCP, the digital theses produced through undergraduate and post-graduate research at the Pontificia Universidad Catolica del Peru. All materials should be open access. For more information: http://tesis.pucp.edu.pe/repositorio/
Institutional Repositories	Research Repository (RMIT University)	RMIT Research Repository provides free, searchable access to RMIT University research publications. Subject matter focuses on Science, Engineering, Health, Design and Business. This collection includes only those records from the repository which include electronic full text of peer-reviewed published articles and conference papers, books and book chapters, as well as other forms of research produced by RMIT staff. For more information: http://researchbank.rmit.edu.au/
Institutional Repositories	RiuNet (Universitat Politècnica de València)	This collection contains the Open Access materials of RiuNet, the institutional repository of the Politechnical University of Valencia - UPV. RiuNet houses the personal and institutional output of UPV's faculty and staff, in several collections. The repository contains a variety of documents including, Objects of learning (Polimedia, virtual labs and educational articles), theses, journal articles, maps, scholarly works, creative works, institutional heritage, multimedia, teaching material, institutional production, electronic journals and conference proceedings.
Institutional Repositories	SDEIR (Université du Québec à Chicoutimi)	This collection contains the materials of SDEIR - Service de documentation en Etudes et interventions regionales, an institutional repository of the Université du Québec à Chicoutimi. Topics covered include the full range of areas of study at the university. For more information: http://e-sdeir.uqac.ca/ Please note: Currently SDEIR does not update the collection. Once updates will be available they will resume in PCI as well.
Institutional Repositories	SHAREOK Repository (University of Oklahoma/Oklahoma State University)	SHAREOK is the joint institutional repository for the University of Oklahoma Libraries (OU) and Oklahoma State University Libraries (OSU). It serves as the home for the intellectual output of both communities, and will ultimately include digital dissertations, faculty publications, digital special collections, open access publications, open educational resources and more. For more information: shareok.org
Institutional Repositories	Scholar Commons (University of South Florida)	This collection contains the open access records of Scholar Commons, the institutional repository of the University of South Florida. It contains the research of the faculty of the research units, centers, and departments at USF. For more information: http://scholarcommons.usf.edu/

Institutional Repositories	Spiral (Imperial College London)	Spiral is Imperial College London's online repository for staff research publications and PhD theses. Some content is restricted to Imperial College users. For more information: http://spiral.imperial.ac.uk/
Institutional Repositories	Sydney eScholarship Repository (University of Sydney)	This collection contains the Sydney eScholarship Repository, a service of the University of Sydney. Topics covered range from Agriculture to Dentistry to Education to Law, and include the theses and other research produced at the University of Sydney. For more information: http://ses.library.usyd.edu.au/
Institutional Repositories	The Portal to Texas History (University of North Texas)	This collection contains the materials contained in the Portal to Texas History, a digital project of the University of North Texas. Materials cover pre-history to the present day, coming from libraries, museums, archives, genealogical societies, and private family collections. For more information: http://texashistory.unt.edu/
Institutional Repositories	ThinkTech (Texas Tech University)	This collection contains the institutional repositories of Texas Technical University. It includes digital works by the faculty, researchers and students of Texas Tech University, covering a wide range of subject areas. For more information: http://repositories.tdl.org/ttu/
Institutional Repositories	UBIRA ePapers (University of Birmingham)	This collection contains UBIRA ePapers, the repository of research material produced by members of the University of Birmingham, including working papers, conference papers, and technical reports. Material has not undergone a formal peer-review process. For more information: http://epapers.bham.ac.uk/
Institutional Repositories	UBIRA eTheses (University of Birmingham)	This collection contains UBIRA eTheses, the repository of theses produced by research post-graduates from the University of Birmingham. For more information: http://etheses.bham.ac.uk/
Institutional Repositories	UCL Discovery (University College London)	This collection contains the research publications contained in UCL Discovery, the institutional repository of the University College London. Materials include journal articles, book chapters, conference proceedings, and theses, covering the full range of disciplines researched at UCL. For more information: http://discovery.ucl.ac.uk/
Institutional Repositories	UNT Digital Library (University of North Texas)	This collection contains the UNT Digital Library, the repository of the research, creative, and scholarly works produced and held at the University of North Texas. Materials include theses, dissertations, historical documents, and more. For more information: http://digital.library.unt.edu/
Institutional Repositories	Unitec Research Bank (Unitec Institute of Technology)	This collection contains Unitec Research Bank, the digital repository housing the research produced by Unitec students and staff. Subject areas include: Accounting and Finance, Architecture, Design and Visual Arts, Education, Medical Imaging, Osteopathy, Social Practice, and others. All materials should be open access. For more information: http://unitec.researchbank.ac.nz/
Institutional Repositories	University of Guelph Theses and Dissertations	The collection housed on the Atrium, University of Guelph's open access digital repository, includes all masters and doctoral theses submitted to the University since July 2011. Subject areas cover the full range of academic interest. For more information: http://atrium.lib.uoguelph.ca/about.shtml
Institutional Repositories	VCU Scholars Compass (Virginia Commonwealth University)	Scholars Compass is a publishing platform for the intellectual output of Virginia Commonwealth University's academic, research, and administrative communities. Its goal is to provide wide and stable access to the exemplary work of VCU's faculty, researchers, students, and staff. A small number of the records may be embargoed at any given time. For more information: https://scholarscompass.vcu.edu
Institutional Repositories	VU-DARE (VU University Amsterdam)	VU-DARE is the Digital Academic REpository of VU University Amsterdam containing full-text publications of VU researchers. VU-DARE is part of the national NARCIS archive, an initiative of the Dutch universities to maximize the publication of their research results in open access. The repository includes research papers, journals, doctoral dissertations and other scholarly works produced by the faculties and research institutes of Vrije Universiteit, Amsterdam. The repository also encompasses internal university documents and a small number of manuscripts and early printed works from the University's collections. For further information: http://dare.uvu.vu.nl/
Institutional Repositories	White Rose Research Online (White Rose University Consortium)	White Rose Research Online is an Open Access repository housing research outputs from the Universities of Leeds, Sheffield and York. In the main, the repository holds journal papers, conference papers and book chapters. For more information: http://eprints.whiterose.ac.uk
Institutional Repositories	ZORA (University of Zurich)	This collection contains the open access records of ZORA (Zurich Open Repository and Archive), the repository containing the scholarly output of the University of Zurich. Research comes from the university's faculties of: Theology, Law, Arts, Economics, Medicine, Science, and other. For more information: http://www.zora.uzh.ch/
Institutional Repositories	eScholarship (University of California, California Digital Library)	eScholarship provides original scholarly works including journals, books, working papers, conference proceedings, and paper series. For more information: http://escholarship.org/
Institutional Repositories	espace @ Curtin (Curtin University of Technology)	The collection contains the open access materials of espace@Curtin, the institutional repository housing research produced by the staff and students at Curtin University of Technology. Materials Include digital theses, journal articles, conference papers, and book chapters. For more information: http://espace.library.curtin.edu.au/R/?func=search&local_base=gen01-era02
IOP Publishing (Institute of Physics)	IOPscience	IOPscience offers current titles and the IOP Journal Archive published by IOP Publishing as well as journals from its publishing partners. Coverage begins with 1874. For more information: http://iopscience.iop.org
IOP Publishing (Institute of Physics)	IOPscience Open Access Journals	This collection offers a gold open access articles available in on the IOPscience platform. For more information: http://iopscience.iop.org/info/page/openaccess
Japan Science and Technology Agency	J-STAGE (Japan Science and Technology Agency)	J-STAGE, a service of the Japan Science and Technology Agency is a platform hosting the electronic journals and research papers of Japan's academic societies. It offers access to nearly 1,000 publications on disciplines including Basic Sciences, Life Sciences, Medical and Health Sciences, Engineering and Technology, Interdisciplinary Sciences, and Humanities and Social Sciences. For more information: http://info.jstage.jst.go.jp
Japan Society of Applied Physics (JSAP)	Japan Society of Applied Physics Journals	The Japan Society of Applied Physics (JSAP) serves as an academic interface between science and engineering. JSAP holds an annual meeting and publishes scientific journals. For more information: http://www.jsap.or.jp/english/

John Wiley & Sons, Inc.	Wiley Online Library - Books	The Wiley Online Library is a multidisciplinary resource covering life, health and physical sciences, social science, and the humanities. This collection includes the library's extensive selection of books and book series. Note: This collection does not include Databases, Protocols or Reference Works offered via the Wiley Online Library's native interface. For more information about the books: http://onlinelibrary.wiley.com/browse/publications?type=book&activeLetter= Book series: http://onlinelibrary.wiley.com/browse/publications?type=bookseries&activeLetter=
